

Dear Mr. Dwarampudi Balaji Reddy,

We are delighted to extend an offer to you for the position of Python Developer at TogetherEd, a unit of Together Corporation USA. Your expertise and skills align seamlessly with our organization's needs, and we are eager to welcome you to our dynamic team.

Job Title: Python Developer

Job Description:

As a Python Developer at TogetherEd, your role will be pivotal in designing, developing, and maintaining robust Python-based applications. Key responsibilities include:

Software Development:

- Designing and implementing scalable and efficient Python applications.
- Collaborating with cross-functional teams to understand project requirements and deliver high-quality software solutions.

Coding and Testing:

- Writing clean, maintainable, and efficient code.
- Conducting thorough testing to ensure the reliability and functionality of developed software.

Collaboration and Communication:

- Collaborating with team members to brainstorm and develop new features.
- Communicating effectively with team leads and project managers to ensure alignment with project goals.

Continuous Learning:

- Staying updated with the latest Python development trends, tools, and technologies.
- Actively participating in knowledge-sharing sessions within the team.

Compensation Details:

Hourly Pay: INR 300

Weekly Cap: 20 hours minimum, 40 hours maximum per week

This offer is for a fixed-term contract of 1 year from 01/22/2024, subject to extension based on performance and mutual agreement.

You will report directly to the Director of Software Development, Indian Region, [Director's Name], who will provide guidance, mentorship, and support to align your efforts with our organisational objectives.

Please confirm your acceptance of this offer by signing and returning the enclosed copy of this letter by [Acceptance Date].

We are excited about the expertise and enthusiasm you bring to TogetherEd and are confident in your ability to make valuable contributions to our software development initiatives.

Warm regards,

Sara Susie
